Musical Comedy for the Entire Family

“MONTANA SERENADE...or...GOLD TIME IN THE ROCKIES”

The Iron Springs Chateau is proud to announce our newest production “Montana Serenade...or...Gold Time in the Rockies” for the 2022 summer season. Please join us to Cheer for the Hero and Boo that nasty Villain on our opening night Friday, May 20th, 2022.

Our show, written by Trelys Dupre`, is a hilarious western melodrama that takes place in Dry Gulch, Montana (wherever that is...). Dry Gulch is a mining town where laws are nonexistent and men are leaving town in droves for better prospects. When Hero Traveling Tim the Salesman arrives, he names himself sheriff in a bid to save Dry Gulch from becoming “one o’ them ghost towns”, *and* to realize his hopes of winning Shy Sue Sweetbread’s affections. But that evil Black Jack Bart is having none of it – can Tim win an election and save both Shy Sue and town?

The melodrama is followed by a sing-along intermission and our Vaudeville style “Curtain Call Revue” chock full of comedy, songs, dances, jokes and fun costumes! It’s a blast for the whole family! This show runs through July 30th.

Tickets are available online <http://ironspringschateau.com> or by phone at (719) 685-5104. See you at the show!
