“Yo Ho Ho and a Barrel of Fun...or...Don't Leech on Me”

You won't want to miss “Yo Ho Ho and a Barrel of fun...or...Don't Leech on Me”, a hilarious pirate show, written by local actress and playwright Vicki Kelly. This show takes place in the Caribbean Islands and follows the exploits of the Evil Lord Lucifer Leech and his equally despicable daughter Monsoon Mary. The nefarious couple has kidnapped Lady Patience Purity of Portsmouth and is intent on relieving her of the family jewels!

Thankfully, Sheffield Silver, the consummate hero and captain of the Jolly Roger, arrives just in time – or has he? The Leeches never let go and won't give up without getting their hands on the treasure. Can Sheffield Silver save Lady Patience and her servant Maggie from the dastardly duo?

The melodrama is followed by a sing-along intermission and a Broadway themed Vaudeville style musical revue that will keep you laughing with songs, dances, jokes and fun costumes. It's a blast for the whole family!

The Iron Springs Chateau has been bringing family-friendly entertainment to the Pikes Peak Region for over 65 years. Located in beautiful Manitou Springs, Colorado, the Chateau is a convenient, fun way to spend the evening...whether the entire family or a memorable date night.

This show runs through August 1st 2026. Tickets are available online at <http://ironspringschateau.com> or via phone (719) 685-5572.
